## BOOK SYNOPSIS

This 6th edition of Freddy Kaltenborn's classic guide to manual, passive joint mobilization includes: Clear, easy-to-find indication and objectives for each test and mobilization technique. New organization of techniques illustrates how simple alterations in grip, body positioning, grade of movement and duration can transform a technique from a test into an effective treatment. Expanded theoretical discussion on grades of movement and their application in testing and treatment. Illustrated. Softcover, 332 pages.
